**PETITIONING THE COURT**

**To issue a warrant and to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on December 18, 2015.**

The probation officer believes the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4	<b><u>Special Condition # 17:</u></b> You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
---	--

**Supporting Evidence:** Mr. McGee tested positive for amphetamine on January 4, 2016, and presumptive positive for amphetamine on January 7, 2016.

On January 4, 2016, Mr. McGee submitted to a urinalysis test which returned presumptive positive for amphetamine. He was confronted regarding the positive test, but denied illegal drug use. He also signed an admission/denial form denying the use of the substance. Alere Toxicology Service confirmed the presence of amphetamine in the specimen. On January 7, 2016, Mr. McGee once again submitted a urinalysis test which returned presumptive positive for amphetamine. The specimen has been sent to Alere Toxicology Services for confirmation.
